

Mobile & Wireless Experts!

As one of the Leading Providers of Mobile & Wireless Product Expertise, LTech is positioned to take your Mobile Products to the next level TODAY.

Whether you're looking to add CRM to your Smart Phones or expand your PDA's software capabilities, LTech will deliver these Product Solutions to you NOW! We'll deliver them with incomparable quality, in record time and at compelling prices.

HOW LTECH HELPS MOBILE & WIRELESS FIRMS

Because we are Mobile Product Experts, we WILL expedite your Mobile Product launch with a complete focus on Quality without compromising Time to Market issues or budget!

LTech's Product Expertise is unmatched in the areas of: MP3, PDA's, Blackberry, Smart Phone's, Pocket PC and various other hand held devices. The applications we deliver on these devices can include, but are not limited to:

- Customer Service
- Tech Support
- CRM
- Logistics

Ltech will deliver your 'product solutions' on the popular key technologies of your choice including: Windows XP, Embedded Windows CE, Linux and Symbian to name a few.

While other (outsourced) Providers focus on the application d'jour, we are focused on our core strength in Mobile & Wireless applications, what we do best!

With an impressive portfolio of Mobile Solutions, LTech has demonstrated why we are Domain Experts in the Mobile & Wireless arena.

Please join us for a FreeAssessment of your Product Possibilities as we determine how our exciting domain expertise will work in your environment. Contact us today at: +1-646-3679671 or visit us online at www.ltechindia.com.
